

WAGING WAR ON CORRUPTION: INSIDE THE MOVEMENT FIGHTING THE ABUSE OF POWER BY FRANK VOGL

ABOUT THE BOOK

Never before has the call for good governance been greater. The Arab Spring in early 2011 has inspired people all over the world to fight to end the abuse of power by politicians and civic officials and create more transparent, accountable, and honest governments. In *Waging War on Corruption: Inside the Movement Fighting the Abuse of Power*, Frank Vogl, one of the leaders of the worldwide anticorruption movement, shares a history filled with stories of heroes and victims of corruption. He chronicles the successful campaigns by enormously courageous civil society activists, journalists, and public prosecutors and explains the crucial challenges that now must be confronted. At stake is nothing less than our global security, the reduction of poverty, the stability of our economic and financial systems, and the cause of freedom and democracy. *Waging War on Corruption* will be of interest to readers of politics and government, business, human rights, and law.

PRAISE FOR THE BOOK

If corruption is a "crime against humanity" as Frank Vogl asserts, nothing less than the future of human civilization is at stake here. Frank's authentic account of the struggle—the challenges and the accomplishments—should inform and inspire everyone fighting "the war" against corruption today, and tomorrow.

—**Devendra Raj Panday**, a leader of the Nepal Citizens' Movement for Democracy and Peace; former minister of finance

There are few men who can rival Frank Vogl's insight and historic knowledge of the global fight against corruption. As a journalist and World Bank staffer, he saw sleaze's terrible impact up close. He went on to co-found the mould-breaking anti-corruption organization Transparency International, and can call a host of fearless activists his friends. This book is an authoritative, wide-ranging and clear over-view of a struggle the world can no longer ignore.

—**Michela Wrong**, author of *It's Our Turn to Eat—The Story of a Kenyan Whistle-Blower*
