TI BiH presents results of Global Corruption Barometer

Sarajevo, 15th November 2016 – Transparency International in BiH is organizing a press conference at which it will present Global Corruption Barometer 2016, i.e. key findings of this research for Europe and Central Asia, with special emphasis on Bosnia and Herzegovina findings.

Global Corruption Barometer is a research conducted by Transparency International every year, investigating the perception of citizens in regard to worldwide corruption. TI BiH will present results for the region of Europe and Central Asia, obtained through a survey which was conducted in 42 countries and had 60.000 participants.

Global Corruption Barometer allows tracking of changes in perception and opinion of citizens on the efficiency of anti-corruption fight and the presence of corruption in different areas, as well as comparison of results between different countries.

The press conference will be held on 16th November 2016 at the Hotel Europe in Sarajevo, at 12.00h.
